Long Melford Summer Exhibition

Summer in Long Melford starts on June 5th!

As the country begins to open up again, we are pleased to be opening our Summer Exhibition in picturesque Long Melford. The show will change regularly over the weeks, so we hope that you will be able to pop in to see new works by a wide selection of our favourite artists.

As ever important themes will be colour, light and real painterly skill.

Normal opening hours, Tuesday-Saturday 10.00-17.00 have resumed and we open by appointment at other times.

We will continue to ship for free to anywhere in the UK, should you be looking at us online.
